Criterium

Sunday March 13th, 2020

Memorial Stadium

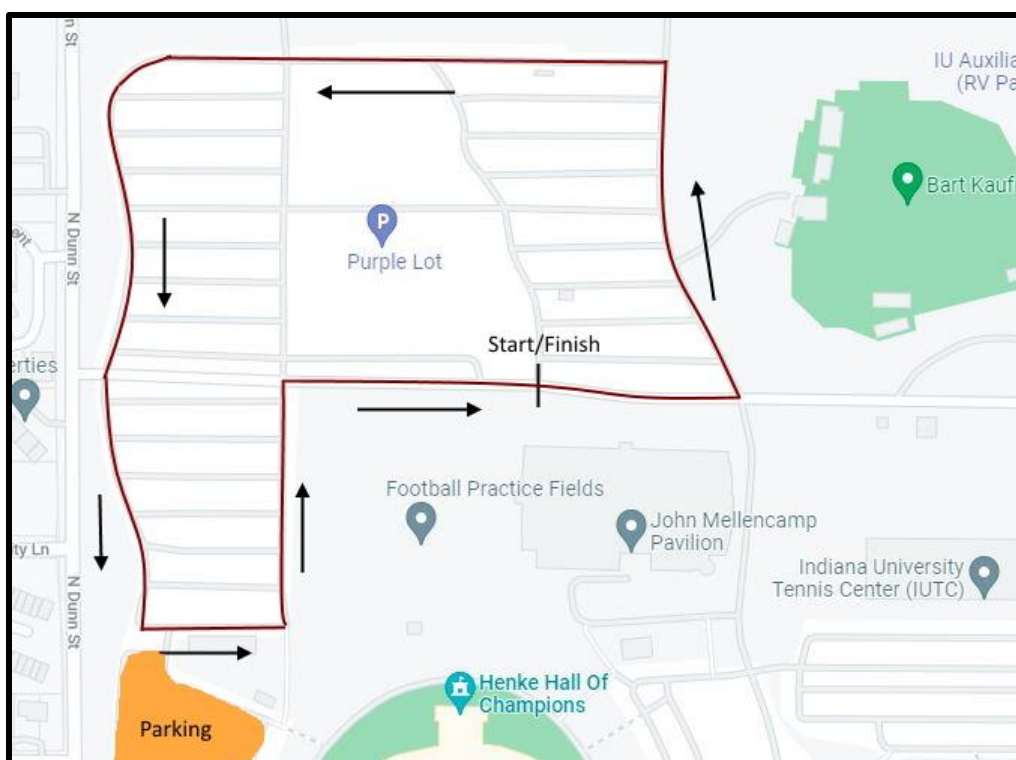

The Criterium will speed counterclockwise through Memorial Stadium's West lots. The **0.8 mile** course features one off camber turn, and a slightly uphill finish.

Parking will be available in the South West lot as indicated in the course preview. Because of a concurrent baseball game, it is important that athletes and spectators *do not* park in the lot directly East of the start finish. We would also like to thank IU Parking Operations for their help in maintaining the course.
